Update on Gillian McCarthy

Gillian's solicitor has applied for planning permission for The Stop Gap site in an attempt to prevent her being evicted from it soon into an even more dangerous alternative site. The expiry date for this application is the 7th of February whereupon (or soon thereafter) South Somerset District Council will decide the fate of that application.

This application is very important to Gillian because it would buy her time (2 years I think) to either 1), try to obtain some kind of safe replacement accommodation on the present Stop Gap Site or, 2) allow more time for suitable alternative accommodation to be found for her elsewhere.

Meantime, I would like to ask you, on Gillian's behalf, to support her planning permission application by emailing or writing (ideally both) to South Somerset District Council at: Brympton Way, Yeovil, UK, BA20 2HT. Email them on ssdc@southsomerset.gov.uk . In all cases quote Gillian's planning application number: 08/00077/FUL. Please also forward copies of your supporting correspondence to Gillian's email address: uk.eng.somerset@mcs-international.org . Gillian sends each of you her deep gratitude for all your past support.
