Subject: Your help is urgently needed.

PLEASE - help us save Gillian McCarthy.

As an American citizen i am writing in full support of the medically prescribed special housing Gillian was promised and so desperately needs. Time is of the essence, i implore you to make immediate plans to implement the housing, Home Care and basic necessities she deserves.

As a person who is also chemically injured, I am outraged at the SSDC's blatant dismissal of the seriousness of her condition and the 10-year cover-up and failure to fulfil their promises.

Gillian deserves the opportunity for proper medical care and decent housing. Continuing to withhold medical and dental treatment is nothing more than torture and systematic abuse!

Please don't sweep Gillian under the carpet like so many other DISabled persons have been. Please help her! And know my concern is not only for Gillian and her family but for neglected chemical victims throughout the entire global communtiy.

Respectfully Yours,
Kathy Fitzpatrick
